

Semma Double-Sided

Precious Stones™
www.techo-bloc.com

Code: 4260
Texture: Split Face

Pallet Overview 4260

Compatible caps

Antique Step 14", Prima 14", Muro, Portofino and York.

Notes

The corner units for the Semma block should be glued with a concrete adhesive.

The corner unit can be used as a right or left corner unit and as a regular unit. Metric measures are approximate.

** When building a double-sided wall, the square footage covered per pallet will vary.

See page 108 for more technical information and installation details.
